AMENDED ORDER REGARDING ELECTRONIC DEVICES
IN JUDGE SEABRIGHT'S COURTROOM

Pursuant to the General Order issued by Chief Judge Helen Gillmor on November 6, 2008, attorneys of record are authorized to bring electronic devices such as laptops, cell phones, and tablets into the courthouse for the sole purpose of using the devices in connection with case-related proceedings in Judge J. Michael Seabright's courtroom or chambers. Any attorney of record bringing an electronic device into the courthouse pursuant to this order shall inform the court security officers at the entrance to the courthouse of the time of the attorney's proceedings and the name of the case. Persons other than attorneys of record (including paralegals or other legal staff, parties, and witnesses) are not authorized by this order to bring electronic devices into the courthouse.

An attorney of record in a case before Judge Seabright is not authorized by this order to bring any electronic device into the courthouse when

entering the courthouse for a matter other than a hearing before Judge Seabright or a case-related conference with Judge Seabright.

No device may disrupt any court proceedings. For example, cell phones are always to be turned off upon entering the courthouse and turned on only with permission of court. In no event may any camera or audio/video equipment be used in Judge Seabright's courtroom or chambers to photograph or to record on video or audio any proceedings. Further, no electronic device may be connected to the internet while in Judge Seabright's courtroom or chambers absent permission of the court. Anyone violating this order will be subject to sanctions.

Judge Seabright may modify this order at his discretion in specific cases or for specific proceedings.

IT IS SO ORDERED.

DATED: Honolulu, Hawaii, July 11, 2011.
